Settlement Class Members who have registered and who have received a favorable Registration Determination Notice from the Claims Administrator may submit an MAF Claim Package or a Derivative Claim Package. The easiest way to do that is online. Click [here](#) to log in to your Portal or set up a Portal with the Claims Administrator, and follow the instructions there on how to submit your Claim Package online.

You also can submit an MAF Claim Package or a Derivative Claim Package by mail. Click [here](#) to get a PDF of the Claim Package Forms you need, or call 1-855-887-3485 or email [ClaimsAdministrator@NFLConcussionSettlement.com](mailto:ClaimsAdministrator@NFLConcussionSettlement.com) to ask that the forms be mailed to you.

You cannot submit a claim unless the Claims Administrator has notified you that you are properly registered in the Program. Call, email or write the Claims Administrator if you have questions.

The Claims Administrator will review what you submit and notify you within 45 days if additional materials are needed. Within 60 days after an MAF Claim Package is complete, the Claims Administrator will notify you whether the Settlement Class Member is eligible for an MAF Award.
